WAVELIGHT® CASONARA BLIMP

360° SEG HANGING LIGHT BOX DISPLAYS

Breathe new light into your brand, exhibit, event or retail shop with the WaveLight® Casonara Blimp Cube Hanging Light Box Displays. This pioneering new SEG tension fabric light box is designed to make backlit graphics more portable, modular and customizable. Our 360° illumination technology provides more visibility for your brand and more places to present your ideas. We have also color coded the frames which provides our users the ability to quickly assemble and disassemble the display without tools –or breaking a sweat.
