

FLIP Roller Banner

- ❖ Elegant and eye catching designer system with sleek low profile styling, presented in a smart satin silver anodised finish with cool chrome plated end caps. One of our best selling roller banners for many years
- ❖ First system to feature our patented "Click-The-Button" graphic change feature that reduces the lengthy process of graphic switching to less than 30 seconds
- ❖ Changing graphics is easy, simply extend it from the base, replace the locking pin, push the buttons on the end caps, flip open the lid, remove the cartridge, slide the old graphic off the cartridge and slide on a new one

FLIP Roller Banner

Choice Of 4 Widths

- ❖ Wide base design and adjustable feet allow the system to stand up straight and tall on the most uneven of surfaces
- ❖ Offered in a choice of 850mm, 1000mm, 1200mm and 1500mm widths and supplied in a luxury padded carry
- ❖ Options include a telescopic pole that extends from 1000mm to 2150mm or a clip on 50w low voltage spot light which comes in a padded carry bag
